RE: Letter of Recommendation

Dear John,

On behalf of the Ponca Tribe of Nebraska, and our entities, I write to you to thank you for the work Blue Stone Strategy Group completed with our tribe. I can't commend your team enough for your professionalism and knowledge in assessing the structure and processes of our Tribe's organizational structure and efficiencies. Your insight, recommendations, and candor have helped push the tribe forward in a positive way.

The relationship that Blue Stone established with our staff helped identify issues within the tribe that weren't readily shared previously. This insight has been priceless as we have worked to improve in those areas deemed inefficient.

Thank you doesn't do enough to show my appreciation for the help you have given our Tribe. Nonetheless, it will be without hesitation that I recommend your services to anyone in the future should they be in a similar situation as us.

Please do not hesitate to use me as a reference as you see fit. Anyone seeking your services may contact me at any time.

Again, on behalf of the Ponca Tribe of Nebraska, Thank you.

Wi Bthu Ho

Thank you,

Larry Wright Jr.
