RE: Letter of Recommendation

Dear John:

On behalf of the Red Cliff Band of Lake Superior Chippewa Indians of Wisconsin, I would like to acknowledge the exceptional work and dedication that Blue Stone provides throughout Indian Country.

With your dedicated group of professionals, attention to detail and the ability to meet strict timelines made our project a reality. Your team worked with our Tribal Leadership and staff to develop a clear Business Plan and strategy to open the doors to our new Smoke Shop.

One of the most important parts of the process was, you took the time and made sure to listen and develop based on what is needed here in Red Cliff, not somewhere else, to make our project work and move us forward to success.

I would like to thank you and your team and I would highly recommend Blue Stone to assist other Tribal Communities throughout Indian Country.

Please feel free use me as a reference at any time.

Chii Miigwech,

Bryan J. Bainbridge
