RE: Letter of Recommendation

Dear John:

On behalf of the Seminole Tribe of Florida, I would like to recognize the exceptional work that Blue Stone provided in assessing our 77 programs/departments within our Government; identifying over 60 recommendations that will assist in improving our overall efficiency and reducing operating costs.

The Blue Stone Team of professionals worked well with our Community Members and Executive Staff in developing the detailed recommendations for Council's consideration.

I would like to thank you for your efforts and would highly recommend Blue Stone to assist other Tribal Communities throughout Indian Country. Please feel free to use me as reference and thank you for your ongoing commitment to Indian Country and the Seminole Tribe of Florida.

ShoNaBish,

James E. Billie, Chairman
