Dear John:

On behalf of the Twenty-Nine Palms Band of Mission Indians, we thank Blue Stone for the professional guidance provided while assessing our casinos in Coachella and Twentynine Palms, California.

Your team worked seamlessly, with minimal distraction, in order to develop recommendations and findings that provided operating efficiencies and business improvements at both casino properties.

Blue Stone was professional and practical in working with various stakeholders in our Tribal Government and Enterprises. We gladly recommend you and your team in assisting other Tribal Governments.

Sincerely,

Darrell Mike
